

Quilting and Crafter's Weekends

Six Chimneys & A Dream Historical B&B and Stagecoach Stop

With six bedrooms and five common rooms, Six Chimneys & A Dream is the perfect environment for your group to get away to pursue its passion, be it quilting, knitting, scrapbooking, rug hooking or any other type of craft. Workspaces can be set up undisturbed for the duration of your stay, and when you are ready for a little break, there are plenty of area attractions to take in. For quilters in particular, Country Heart Quilters is just 6 mi. up the road, and Keepsake Quilting is just a half hour's drive away! We also know **the best** place for excellent quality bargain fabric if you are up for a little drive. If you are interested in an instructional weekend, we can make arrangements with local teachers, or bring one with you. Your hostess is a quilter and crafter as well so understands the needs of your group and will do her best to accommodate any special requests. We look forward to having you.
